

March 27,2009

Welcome members and non-members to the 7<sup>th</sup> Annual British Motor Trade Association Annual Conference. This year's conference offers a variety of seminars and small group discussions on the theme "Keeping Up With the Times". I'm confident everyone will return home with some valuable insights regarding our industry.

I'd like to extend huge THANKS to our sponsors, Engel Imports, Moss Motors, Victoria British, and Classic Motorsports Magazine, for sponsoring meals, advertising the event, and manpower. Please let these sponsors know you appreciate their efforts.

Please review the proposed By-Laws that are in your Registration Packets before the BMTA Business Meeting on Sunday, March 29. This topic will be discussed at the meeting prior to ratification and your input would be appreciated.

Over the next three days, take the time to get to know your fellow BMTA members and introduce yourselves to the non-members who may be considering joining our association. Should you have any comments or questions, direct them to either Matt Meisner, Alan Dalman, or any of the board members.

Now, relax and enjoy all that this conference offers.

Cordially,

Gail P. Lenhard
